Principal's Report	<ul style="list-style-type: none"> - Numbers Extraction for 2022-23: nine classes, all within one of cap across the grades. Currently 215 students registered (including Pre-Primary). Unable at this time to accept any out of area requests. LC population decreasing by four, but no incoming LC students identified as yet. May lose a LC teacher position/portion. - Garden Grant: applied and received \$1200 for updating our garden's raised beds. New and replacement beds have arrived, and 2-3B has offered (begged) to do the bed prep. Soil to be ordered. Lining/drainage to be done. - Ramadan: Fasting Space in Library for students wishing to be away from classmates while they were eating. Supervised by volunteer teachers over the month. Will work on having a prayer space. - Bus Stop: still an item and is being worked upon (move from Inglis Street to Robie--multiple levels need to cooperate HRM, HRCE, HRP, Transportation). - Recruit for SAC/PTO: Likely able to have a Primary Orientation this year - Spring Fair: outside only – (?) MR explained about previous Spring Fairs at ISES. Previous fundraising endeavours have netted \$2-3k. NV reservations around being weather dependent/outside. MR mentioned that one school added a bouncy castle to their field day. Family Picnic/Family BBQ/ lunch or after school? MR thinks having a Bouncy Castle for field day is a better idea. Dividing by cross-age buddies for a family picnic ... Grade 6 leaving . . . T-shirts (tye-dyed by 6's . . . lettered/iron on) 	<p>Information</p> <p>Polling others for comfort levels for gathering? NV/MH to volunteer for Gr 6 Leaving Committee</p>
SAC Grant	\$4223 remains in the allocated SAC grant at this point. MH asking for: five Chromebooks (new students) ~\$2000.00. Discussion ensured; agreed to spend this amount on five Chromebooks; Buddy Bench – existing city bench adjacent playground – sanding, painting, routing, \$150-\$200 to be spend for materials. 2-3B to do the finishing.
